

Year-round Advertising Opportunity at Halesworth Golf Club

Halesworth Golf Club have received much praise for the numerous improvements made to our Blyth 18 hole golf course and for the condition thereof over the past few years. Membership and visitor levels have significantly increased and in recognition of our growing reputation we have been asked to host the 2011 Suffolk Open Golf Championship

Within our continuing improvement programme we will be installing high quality tee signage on our Blyth course.

The hardwood timber tee signage will be manufactured to the highest standard, kiln-dried, protected for longevity and finished in a dark oak stain.

The signage will be maintained annually by HGC.

The signs are nearly a meter high and half meter wide and positioned to be seen.

- We offer you an inexpensive opportunity to promote your business, services and products **ALL YEAR ROUND**.
- You can advertise on either the 18 hole Blyth golf course or the Driving Range or both.
- We can use your company artwork to create a prestigious representation of your company or business.
- A list of all on course and driving range advertisers will also be prominently displayed in the clubhouse lounge.
